

JAHRED LIBRES

BSIT Graduate specializing in Web Development, Digital Design, and IT Support

+63 945 425 7249 | jahred.libres@gmail.com | Taguig City | linkedin.com/in/jahred-libres | Portfolio: jplibresph.github.io/libres-dev

SUMMARY

Passionate BSIT graduate with strong technical experience in both web development and IT support. Adept in creating responsive web interfaces, solving technical issues, and working collaboratively in real-world enterprise environments. Eager to contribute innovative ideas and continuously improve in the fast-evolving tech landscape.

PROFESSIONAL EXPERIENCE

IT Intern - IT Support & Development | The Philippine Daily Inquirer Inc. Feb 2025 – May 2025

- IT Support Responsibilities:
- Supported network configuration, file-sharing setup, system uptime monitoring, and deployment of work-from-home computers using tools like AnyDesk; provided hardware/software troubleshooting and basic network diagnostics across workstations.
 - Participated in Sophos Firewall seminars, gaining exposure to enterprise-grade IT infrastructure and security tools, enhancing understanding of cybersecurity and system management practices.
- Development Contributions:
- Assisted in developing and testing an AI server prototype using Whisper AI (speech recognition) and Fireflies AI (meeting transcription); set up the test environment using WSL (Linux).
 - Contributed to building a custom inventory system using AppSheet, supporting multi-item entries per transaction, automated PDF generation, and real-time stock monitoring to streamline IT resource tracking.
